

DARTMOUTH WHALERS MINOR HOCKEY ASSOCIATION

FAIR PLAY CONTRACT FOR PARENTS/GUARDIANS

I will actively encourage and support the Fair Play principles at all times: Respect the rules. Respect the opponents. Respect the officials and their decisions. Have everyone participate. Maintain self-control at all times.

I will leave the coaching to the coaching staff, and not interfere with, or undermine the coaches at any time.

I will never encourage my child to play the game in a manner inconsistent with the coach's direction or plan.

I will communicate any/all concerns to the team manager, not directly to the coaching staff.

I will support the team as a whole. Parents shall not be critical of players, the coaching staff, or officials in the presence of players.

I understand school takes precedence over hockey. I will remember that my child plays for his/her enjoyment, not for mine.

I will encourage my child to play by the rules and to resolve conflicts without resorting to hostility or violence.

I will never ridicule or yell at my child for making a mistake.

I will never question an official's judgment or integrity in public.

I will respect and show appreciation for the volunteer coaches who give their time.

FAIR PLAY CONTRACT FOR PLAYERS

I will abide by the Fair Play principles at all times: Respect the rules. Respect the opponents. Respect the officials and their decisions. Have everyone participate. Maintain self-control at all times.

I will participate because I want to, not because my parents or coaches want me to.

I will do my best to be a team player.

I will remember that winning is just one goal, along with having fun, improving my skills, making friends, and trying my best.

I will respect my team-mates. Players shall not be critical of team-mates and never discuss team-mates abilities except to encourage good team play.

I will remember that coaches and officials are there to help me. I will accept their decisions and show them respect.

I will never argue with an official. When a call is disputed I'll let the coach handle it.

I understand school shall take precedence over hockey.

I will refrain from using foul language towards teammates, coaches, officials, opponents, parents or spectators.

I understand players are representing their hockey Association, and not only their team.

If I score a goal I will thank my line-mates for helping me score. If we get scored on when I am on the ice, I will encourage my goalie and try harder to help him/her next time.
